Online Bill Pay is Available at SWRE

To set up online payments, SWRE members need to complete the following steps:

1. Provide a current e-mail address and telephone number to SWRE for posting to the co-op's records for your account(s). This can be done by sending an e-mail with your name, account number(s), telephone and e-mail address to swre@swre.com, or by calling the co-op at 1-800-256-7973 to provide the info to Jonnie Partida or Sandi Martin. This correct information must be entered into SWRE's records before online registration can proceed.
2. Go to SWRE's website: www.swre.com. Click "Pay Bill Online" at the lower left of the page. This will open a new screen. Choose "New User"
3. Enter the following information:
 - Account Number
 - Last four digits of telephone number
 - User ID (you create)
 - Name
 - Password (you create)
 - Password confirmation
 - Password hint (which you create for your future use, if

needed)

Hit "Submit".

4. When the information has been received, a computer confirmation e-mail will automatically be sent to the e-mail address that you have provided. In that e-mail there will be an "Activate Account" link. Click "Activate Account".
5. This will take you to the screen where you can pay on-line with a credit card or bank withdrawal. NOTE: If it does not take you to the bill pay screen, call the SWRE business office at 1-800-256-7973.

Once your online payment account is set up, you can go to www.swre.com to pay your SWRE bills with one easy click.

The process is easy and secure.

Of course, for SWRE members who choose to pay their bills in the conventional way, the co-op will continue to accept payments through the mail, at the Tipton office, or at traditional bank locations throughout our service area.
